Professional Experience

WOW MARKETING

Visual Designer

Chandigarh, India

Nov 2023 – Present

- Conceptualized and executed end-to-end visual designs and marketing campaigns for hospitality, real estate, and consumer product sectors, driving brand engagement and awareness.
- Designed and animated high-performing motion graphics, social media ad campaigns, and video assets using After Effects and Premiere Pro, contributing directly to audience growth and lead conversion.
- Collaborated with cross-functional teams and developers to execute website redesign projects; designed intuitive wireframes, interactive prototypes, and UI screens in Figma to ensure seamless design-to-development handoffs.
- Established visual styles and design guidelines for digital campaign collateral, ensuring stylistic consistency across both static and dynamic/video mediums in a fast-paced environment.
- Mentored junior designers and video editors on design principles and technical workflows, improving team output quality and reducing delivery turnaround times.

FREELANCE VISUAL & MOTION DESIGN

Freelance Designer

Remote

May 2023 – Nov 2023

- Designed animated assets, app walkthroughs, and optimized post-production/3D render pipelines for agency clients to improve user onboarding and digital app store engagement.
- Produced and edited high-performance videos for FMCG brands to optimize e-commerce listings, highlighting key product features to boost click-through and conversion rates on top digital retail platforms.
